

Part A

*1. He is always punctual.

*2. My best friend is very clever but he never boasts.

*3. They pushed me over and I hurt my knee badly.

Part B

When I first met Ted, he was quite shy. He has been with us for five years now. He doesn't move as quickly as before. He sleeps more too.

My best friend always watches me play football on Sundays. He is always there to support me whenever I need him. He is loyal.

Lily treated me kindly and I will never forget that. Although some bad things happened that day, I went home happily because I made a new friend. She now studies in a secondary school nearby but she always smiles warmly and says hello to me when I see her.

Part C: Write adjectives describing people's character. (Time: 3 minutes / 3@)

e.g. shy
